Hoppla Kito Neoprene Small Cable Tidier

## Need to know:

- Includes 1-Position Sublimation (setup fees apply)

- NB: Please note that Neoprene material is not conducive to having predominantly white back grounds due to the print transferring nature of the fabric and process used to complete the print. We always advise to have a background colour within the design as this mitigates the chances of material blemishes and ghosting of print.

- Please Note: We cannot guarantee 100% logo Alignment on all Brandable Panels.
